

**TINDELL'S
HORSE & MULE
SCHOOL**

JERRY TINDELL CLINIC

Date: April 23rd-26th

Location: Beaverlodge Ag Plex Arena, Beaverlodge, AB, Canada

Contact: Kara Toews (780) 228-8677 clinic@leaninladder.ca

Type: Basic Horsemanship

Objectives:

- Introduction for horse/mule and human to the basic building blocks of the Tindell Progressive Training Program
- Learn to read the language of the horse and mule--what they do and why they do it
- Take time to learn how to be around your stock so you can begin to develop the skill to work with them effectively
- Allow your stock to learn and study how you can start building a plan to structure that behavior

Exercises Covered:

Round Pen to include rope and flag work, Ground Work on the halter to include fence work and trailer loading, saddle/pad and saddling
